Wouldn't it be cool if I actually used a television to use this account? I don't. Too much work. I was going to, but after it took 15 minutes to create a nation I decided it wasn't worth it.

I sincerely hope you **don't** think this resembles my political views.

Quote of the Year

If you feel bad about life, think about it this way. There's billions of years of history in the entirety of life, with more to come, and you've managed to be born at the same time as Nationstates. Cool, huh?

News: Days after the coronation of Queen Rose I, fifteen Senators have mysteriously vanished after returning to the Capital from a conference in Christine City. Among them is Phillip "Fighting Phil" Paddock, the Chairman of the Senate Intelligence Committee, who at 98 is the eldest member of the current Senate. President Hinterland issued a short statement of support, joined by Her Majesty the Queen, as the government has executed a number of orders to prioritize the search for the Senators.
