Totalitarian, oppressive, bloodthirsty, elitist and autocratic dictatorship.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

A small republic that although democratic, its people freely elect fascists. There are no catches, scams or schemes, most of the people just like the fascist regime.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

Maoist, clearly.

JK Soviet "socialist" Autocracy.

Pray for Ukraine and Moldova.

Stalinist propaganda and other such ideologies should be banned.

Remember the Massacres at Huế, Thanh Mỹ, Đức Dục, and the Shelling of Highway 1.
