Elton John - Sacrifice

[Live performance](#)

*Cold cold heart
Hard done by you
Some things look better baby
Just passing through*

*And it's no sacrifice
Just a simple word
It's two hearts living
In two separate worlds*

*But it's no sacrifice
No sacrifice
It's no sacrifice at all*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Maroon 5 - Maps

From V (2014)

*But I wonder where were you?
When I was at my worst
Down on my knees
And you said you had my back
So I wonder where were you?
When all the roads you took came back to me*

*So I'm following the map that leads to you
The map that leads to you
Ain't nothing I can do
The map that leads to you
Following, following, following to you
The map that leads to you
Ain't nothing I can do
The map that leads to you
Following, following, following*

Nirvana - Lake of Fire

From MTV Unplugged in New York (1994)

*Where do bad folks go when they die?
They don't go to heaven where the angels fly
They go to the lake of fire and fry
Won't see them again 'till the fourth of July*

*I knew a lady who came from Duluth
She got bit by a dog with a rabid tooth
She went to her grave just a little too soon
And she flew away howling on the yellow moon*

Paul McCartney - Here Today

From *Tug of War* (1982)

*And if I say I really knew you well
What would your answer be
If you were here today*

Ooh-ooh-ooh-here today

*Well knowing you
You'd probably laugh and say that we were worlds apart
If you were here today
Ooh-ooh-ooh-here today*

*There will be an answer, let it be
For though they may be parted
There is still a chance that they will see

Bob Dylan - Make You Feel My Love

From *Time Out of Mind* (1997)

*The storms are raging on the rollin' sea
And on the highway of regrets
The winds of change are blowing wild and free
You ain't seen nothin' like me yet*

*I could make you happy, make your dreams come true
There's nothing that I would not do
Go to the ends of the Earth for you
To make you feel my love*

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Johnny Cash - One

From *American III: Solitary Man* (2000)

*Did I disappoint you
Or leave a bad taste in your mouth
You act like you never had love

We're one but we're not the same

Wings - Old Siam, Sir

From *Back to the Egg* (1979)

*In a letter from Old Siam, sir, came an awful tale of woe
She decided the only answer was to get off a pile of dough
She waited 'round in Walthamstowe, she skated 'round in
Scarborough
She waited 'round in Walthamstowe, she skated 'round in
Scarborough
When a relative told her man, sir, he directed her not to stay
In a village in Old Siam, sir, there's a lady who's lost her way*

Elton John - Believe

From *Made in England* (1995)

*I believe in love, it's all we got
Love has no boundaries, costs nothing to touch
War makes money, cancer sleeps
Curled up in my father and that means something to me
Churches and dictators, politics and papers
Everything crumbles sooner or later
But love, I believe in love*

*I believe in love, it's all we got
Love has no boundaries, no borders to cross
Love is simple, hate breeds
Those who think difference is the child of disease
Father and son make love and guns
Families together kill someone
Without love, I believe in love*

Behexen - Invocation of Zabulus

Hear our call! Hear our worship! Deus Zabulus Dominus! Arise O Lucifer, from the depths of the abyss, from caches of darkness, from occupying shadows. You are our Lord and Father. We honour and worship You!
