A weak monarchy on the verge of revolution from the peasants, as their economy is primarily based off the export of tropical fruits.

Direct democracy.

Saarkon is Central-European-like social democratic federation, formed from small Slavic republics.

Equality! Liberty! Democracy!
Ravniče! Svobode! Demokratja!

Равниче! Свободе! Демократја!

I generally use NSStats. Except population. It's always 286 million. Saarkon is MT. Sorry for spelling mistakes, English is not my 1st language.

Currently this nation is under construction because I abandoned it for a year. Hopefully I will return to RPing soon.
