Monkey 3003 died of...you guessed it! A shotgun blast!

(What? You thought it was going to be the dreaded Palindrome syndrome? He did have it, albeit a much more benign and non-lethal version of it.)

Last edited by **Piste-Land** on Sat Nov 07, 2020 7:46 pm, edited 1 time in total.

Monkey 3001 drank a bottle containing what he thought was the cure for the coronavirus, only for the real cure to be the bottle right next to the one he drank from.

Monkey 2998 ate a cat. Shortly thereafter, it began to exist everywhere and nowhere. Attempts to identify Monkey 2998 lead to multiple false identities, some of which are rather disturbing, before the true, unknown one.

Jebslund is a nation of kerbals ruled by Emperor Jebediah Kerman. We reject tyranny, believing that rights should be protected, though we also believe said rights end where the rights of others begin. Shockingly, we *do* use NS stats, with the exception of lifespan.

Monkey 2995 left the chat.

I'm Duraludon and my favourite of the forums is Forum 7. I think I'm the first person to plant a time capsule within NationStates! It's in Arts and Fiction. I have a liking of Pokémon, but not as much as you may think. I had an old sig, but I didn't really like it

Monkey 2994 was kind enough to log Monkey 2995 out after snapping his neck. He was also polite enough to not dodge when 2995's wife bludgeoned him to death with a golf trophy.

Monkey 2993 was executed by an imperial firing squad for crude art of the glorious leader!

We are not an apolcypse themed nation anymore read my factbook. I barley follow nation states stats. We are an Empire that gives civil rights and there no problem with that. We are advanced and would like anyone who wants to be friends to telegram us.
