The Slits - [I Heard It Through The Grapevine](#)

My brother absolutely hates The Slits for some reason. So after a long night of listening to dubstep and the playstation blaring from his room I like to play them on repeat while in the shower. If we weren't family I'm sure he'd break the lease and move out.

Right? Our neighbor is much worse anyway. God love a man that decides to do home renovation at 5am on a weekday. Maybe he's trying to drown out the sound of competing music.

All the best Serj Tankian songs seem to be all the ones that sound the closest to each other...Not exactly a good thing in my book that the best stuff seems to always sound so similar to each other....
