The flamingo would be sent back to a place that will ensure care for it.

The person who brought said flamingo into the barber shop will be fined under the Nature Conservation Act, and in accordance with stature 7.1, will be sent to an Orlesian Rehabilitation Centre for up to 5-10 years.

Ninja'd.

To Wallowis: Said individual would be fined 500 francs for disturbing the peace.

Activating a car bomb in the middle of a crowded city center, killing many civilians.

Poultry and livestock theft is a crime and the punishment is up to the owner of the livestock or poultry that was chosen
Usually it's the property of a Feudal Lord so it's the one of the few circumstances where they have supreme power

/notamod, but. This is getting strange. I'd suggest toning it down. (Not trying to sound demanding, either.)

Anyway, public castration, followed by a prompt public execution.
