Islamic Saudi Arabia-like Japanese state

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

Oh hail to the Confederacy my good Citizens, for I shall grant you freedom and rights, meanwhile spreading the values of democracy and liberty. Our god shall guide us through the darkness, fighting back the evils, while hell remains still. Oh hail to the Confederacy.
