Prime Alliance Party, Progressive Wing. C.O.R.A.S is also a small possibility.

Guess what? MMP time! One party for FPTP and one for PR.

Anatoliyanskiy is basically if Canada, Australia and Russia had a baby.

Luxemburg and Bookchin did nothing wrong.

I'd probably vote for the Civic National Party, but Arvenian Reform Party, Revolutionary Centre Party and depending on how moderate/extreme they are, Arvenian Libertarian Party would all enter into consideration.

Not a big fan of most of the non-parliamentary parties, if I had to chose one probably either the Small Business Party or the Liberal Democratic Initiative, although I personally don't care too much about constitutional monarchy vs republicanism.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

We use MMP, so choose on for FPTP and one for PR.
