Oh god. I feel so sorry for you. Why would anyone in their right mind force you to listen to that horror?

I reserve the right to enjoy whatever I like, and allow you the same privilege. I won't deny that, as far as the rules go for legitimate art, it's schlock. But it's a part of my youth, and I prefer it to a great deal of much more "respectable" music. De gustibus non est disputandum.
