Here's To The State of Mississippi, Phil Ochs!

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
