Well, I was about to pray a chaplet of the divine mercy. I found out it has a musical form, which I like a lot better than just saying it (seems kinda dry, just saying it). So I guess that counts, other than that, the clacking of my keys and the fan blowing off to my left.

New extremely epic and beautiful song by Mono to a video of scenery of Iceland, which is also equally amazingly beautiful. I must go to Iceland before I die.
