Pretty well known on the RMBs and also in F7. A budding newcomer turned regular.

Extremely well known. Possibly the most known nation in NS.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

Very well-known by this point. The longer Meadowfields stays active the closer they get to megastardom (a la Val Z or similar)

First spotted the Kiwi when I joined in late April 2020, and from there, he's always been a user I admire for the effort put into even menial things about the nation. He is well known for that, and those fine ass graphs. I may not agree with his politics, yet such a thing is relatively unimportant.

I could possibly say the same thing for AN. Seen them quite a lot.

Edit:

Ninja'd. Haven't seen them around much, so at least known.

I'd say well known here and on the TSP/TNP RMBs. They're fairly new to here but seem to have fit in pretty well.

Well this may be the second time I've ever seen them, which is a bit odd because I was still using NS on my old account when they first started. I guess that's besides the point though, they seem active enough? Not crazy active but active enough.

To me personally, very well-known, but I'd say like a 6/10 on the well-known scale overall.

Trivalve, hmm?

Well, there's a part of me that says "Yeah sure, I've seen them around once or twice on F7" and another part of me who simply screams out "Who?!", so what's the truth exactly?

Let me say this. I recognise the flag from somewhere in this site so that has got to mean something towards my knowledge of Trivalve and it's user's existence, and even the name rings a bell to compound this, but as to anything else like "impact on F7" or "the content of the nation itself" or otherwise, and my mind draws blanks. So, he/she/other seems vaguely familiar to me.

As for the wider community, I can't really speak for all here, but I do assume that with the average F7ners more common presence here than me that the name Trivalve would be more well known. But either way, I'll pretend this is my first time since I don't know much. Welcome to the weird and wonderful land of Forum 7! It's a strange place, it's got it's problems but for the most part, it is a friendly and awesome timewaster and a lovely way to get you and your creation interacting with other people in a more chill and non-committal way than a dedicated RP for example. I hope I get to see more of you Trivalve, and that you prove to be a nice addition to our (*small*) community :)

Царство Аляски, or the Russian Empire lives on in it's old colony, Alaska after the conclusion of the Russian Revolution of 1917. Standing with it's allies against the Moscow Accord of Russia and it's alliance members, nevertheless world tensions dwindle and the people of Alaska grow ever more desensitised with the conservative status quo, and their insistence on clinging to a now redundant past.

Personally I don't know you, mainly because I only lurk on F7 and is also a newbie. But based on the absolute length of a reply you have, I would guess that you at the very least fairly known in F7 and in other forums, though it s very likely you are at the rank of well known.
