For Arpasia:
“Cancelled” on Twistabook

In all seriousness, this is iffy, as we can be kinda appearing rude, but we have a personal philosophy, that being “You need to take what you can dish.” As for the punishment, while not enforceable, it is most likely replied with a “roast” by the recipient of the hate. And then if they go in for the physical violence, then they get arrested for assault, and the sentence is actually lengthened if proof of hate speech is presented and well documented.

Forced to return the locomotive and compensate for operational losses/infrastructure damage, + half (punitive damages), revocation of train operating license if one is had (2 months prison otherwise),

1.5 years prison sentence for interfering with railroad operations.

Threatening a child

If you can be deemed as a potential threat to them, then you can expect to be shipped off to a prison center for 7-10 years.

Detonation of a dirty bomb in a populated area.
