Bob Mould - Star Machine

I wanna be like Bob when I grow up. Fuck those that think age defines music.

Elysian Blaze - Blood of Ancients, Blood of Hatred

Almost 37 minutes long masterpiece. Could be an album on its own.

Happy Days - Defeated by Life

*Defeated by life, that's what I am
It's something more than just being the loser,
It's looking more at your target, at life
Through a bulletproof glass
Your efforts to break it are all vain
And forever will be*

Porcupine Dream-Occam's Razor

Sounds like something you'd collect in Skyrim for a quest. Or an Elder Scrolls game in general. A Daedric artifact maybe?
