I thought most of it was mediocre. I'd rate the album like a 5. But the songs I DO like I really quite like.

Contact being one of them.

Philip Glass-Metamorphosis Four

Take note I'm going through like...10 albums today WHILE also cleaning...This will probably go terribly.

I was at their gig last night, words don't justify how awesome it was!  
Also, the Glasgow Hydro is a pretty nice venue.

I absolutely love that song

"A Light That Never Comes"--Linkin Park/Steve Aoki

I really don't know why I'm listening to this, other than the fact that I'm listening to my semi-local modern rock station and this is what's currently on...yet I'm not a fan of rap really...and compared to Linkin

Park's other stuff (which I couldn't care less about), it's rather...ungood.
