"Peace of Mind" by Boston

I just love this track.

And of course song changed while writing this... oh well:

"Get On" by Hurriganes

Probably one of the most well known Finnish rock songs. At least among Finnish people ☐ 8th track on my top 10 list.

["The Real Thing" by Kingston Wall](#)

One of the best songs ever written. That saxophone part in the middle, around 7:45-13:00 is just something... I can't even describe the awesomeness.

Song kicks in at 4:10, before is just some ambient like intro.

I'll listen to it later. Too distracted to sit down and listen to an 18-minute song right now. I got things I need to do and am doing to finally get stuff done instead of doing nothing all day.

Perfect song to listen to while cycling.
