Big Iron by Marty Robbins.

A very big staple of wild west themed songs, and will surely remain one of the best of Robbins. And also, probably the inspiration for the NCR Rangers.

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Martyn Bennett - Blackbird

Martyn Bennett's music, and the voice of Scottish Traveller singer Lizzie Higgins, both now deceased. Apparently Lizzie learned the original song from her mother.

<https://www.youtube.com/watch?v=jSRHpA2giUk>

*What a voice, what a voice, what a voice I hear
It's like the voice of my Willy dear
But if I had wings like that swallow high
I would clasp in the arms o' my Billy boy*

*When my apron it hung low
My true love followed through frost and snow
And noo my apron it is tae my chin
He passes me by and he ne'er spiers in*

*There is a blackbird sits on yon tree
Some says it is blind and it cannae see
Some says it is blind and it cannae see
And so is my true love tae me*
