So long as I'm part of the majority, yeah.

What happens when you cross anime powers and overpowered leaders with furies, all written by a bored Homestuck fan with too much time? Well, you get Rumei. A multiethnic, FT republic with both might and magic that let it conquer the entire Orion Arm.

A 7.6 (this is probably outdated but I can't do the calculations rn) (Tier 9, Level 6, Type 9) according to [this index](#).

Come to The Orion, we got [CULTURE](#) and [FURRIES](#)

Show Recommendation: Cobra Kai. It is very, very good.

IC Name: Roman Republic, or simply Rome (Rumei). Occasionally called the Ignisian Republic. Current year is 2697.

Apologies, but no. This place seems like almost the exact opposite of my ideal place to live, tbh.

☐ So, this is where I write a signature. I'll replace this with something else later.

☐ Quaeg's just a nation trying to make its way in the world. We're out-of-the-way, pleasant and overthrew the king in a violent revolt. Come and visit, everyone's welcome! ☐

☐ Copy and paste this in your sig if you passed biology and know it's completely irrelevant to your opinions on gender and sex ☐

◆ [Overview](#). Just FYI, The flag's a sunset, not a sunrise, and the Quaeg is pronounced Kw-ay-g. ◆

Yeah!

T R A N S  
P R I D E

a Level 6/0/5 Nation (rank 19.2)  
Not Reflective of my actual views (I'm an anarchist IRL)  
My entire military is the DK crew

Even though NS stats are often accurate, I don't use them.

It just kind of looks like the Czech republic so sure.

Maybe. Can't really say with the lack of information.

#### Rapture City

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. Yet the people would be in for a surprise as their virtual overlord have died many years ago as the oppression continues under his name...
- Not an 1-1 exact replica of **Bioshock** lore and **Rapture City**. Only the city's atmosphere and setting is maintained.

It seems like some kind of super-Canada, so it's a no for me, dawg.
