A Matriarchal Kingdom

The Federation of Greater Rostoria is a Medium sized nation with a powerful military, strong economy, and big influence all over the world. NS stats are not canon. The nation has a lot of Germanic influence but also some Slavic and Prussian ones. The nation is overly patriotic and has a big industry in oil, gas, automobiles, and military equipment.

Couldn't get the image on the factbook to load, so I'm assuming it's the little Polandball on the right of the image.

Some devolved constitutional monarchy, methinks.
