I honestly don't know if there's more than one way of interpreting that banner...

Don't copy+paste this into your signature. Come up with something original. Be an individual.

Pro: Capitalism, free speech, libertarianism, classical liberalism, secular humanism, gun rights, real feminism, religious freedom, choice, centrism, free trade.

Anti: Corruption, fascism, communism, vegans, far-left socialism, the alt-left and alt-right, religious fundamentalism, authoritarianism, collectivism.

PMT/Early FT - Decopunk. Zitravgrad is a crowned republic in a planet somewhere else in the universe. The formerly wartorn nation keeps a facade of normalcy and order while enjoying the societal and cultural decadence that marks the new Roaring Twenties. The paranoid authoritarian government tries its best to uphold order in the face of uncertainty, while its people want nothing more than a breathing space. A deal that works, but maybe not in the long run. |
