Hatsunia is a great power that leads the world technology. Miraito, their capital, is often called the "silicon metropolis". This is in part due to generous government funding. Researchers in Hatsunia often place emphasis on software and electronics, which are exported internationally.

PAS is a fantasy by collectivistic humans. We cats on the other hand have freedom and prosperity, not communism.

We are mutant Japanese kitty cats that have taken over a post-human world which was destroyed due to human hatred towards other humans.

The United Nations of Aphrodia was founded after the discovery of the "Golden Message", containing information intended to be passed by

humankind onto whatever civilisation followed after the destruction of the old world. The Golden Message, stored in binary form, outlines some guidelines by which a happy, functional society can be obtained, and is signed by former President of the defunct United States, Joseph Garrison.
