### Favorite Thing in the AN's Sig (Thread the 7th)

by **Continental Free States** » Thu Nov 11, 2021 3:26 am

Hey all, the last thread's reaching the 500 page limit, so here's the new one

Thread rules are simple and pretty much the same as before; comment on your favorite part of the signature of the Nation above you. If someone "ninja's" you (makes a post right as you're writing yours, hence it looks as though you're skipping them) or if you skip someone for any other reason, please edit your reply so as to include your new AN as well.

At the time of me writing this post, my "AN" is as followed:

“ Velloatus wrote:

Let us live to make men free

The Athenian Sea League is set in a low fantasy world where all the legends and myths from greek mythology are true. And in it's current form the Sea League is a collection of city-states, oligarchies and petty kingdoms led by a triumvirate of it's three most prominent member states: mighty Athens led and represented by it's Archon Eponymos Pericles, "Father of democracy", brave Macedon led by Perdiccas III "the Wise" and represented by a court official by the name Pausanias and fearless Crete which in itself is a union of Cretes two most powerful nations, Pefki and Messara which each having to share one representative, said representative being Podarkes.
