I'm not much into R/D gameplay, but I have seen them a lot recently on f7

I've definitely seen them around a lot, I'd say they're pretty well known.

I would say well known. Not enough posts in F7 (~around 500-600) to be very well known tho.

Given the nearly 750 posts they boast on F7 alone, they've gotta be at least somewhat known in the basement of NS

Well known, in F7 and maybe GET, though I don't know for sure on the latter.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

They would probably usually get recognized as familiar in most Forum 7 threads, so somewhat well known.

Around 600 posts in F7? That would normally mean moderately well known, but given how fast they started appearing here I'd say just well known.

Pretty well known, especially in F7.

Just a random guy from a random corner of the earth wasting his time online. I try to keep my nation as close to my real world beliefs as possible
