Well doesn't seem that bad since it's a colony from the UK it's likely similar to the UK so it's livable but then again never been to the UK.

Not sure how the tax rate got so high, but it's supposed to be  
Top Income Tax 5%  
Property Tax 10%  
Necessities Tax(water,food, clothes etc.) 3%  
Entertainment Tax 0%  
I should probably put that into a fact book :/

Generally high taxes, extremely low civil rights with the ID Chip,  
Permanent marriage and with Sortition it seems that the country's  
political progress would be scampered. Pass (Kyria)

Looks like a fairly nice social democratic nation, so it probably  
wouldn't be that bad.
