Their leader killed himself after allowing left-wing ideologies in their political system.

The Celestial Empire of the Arians - Arian Empire

The Arian Empire is a multiversal empire spanning 303 multiverses. After conquering its homeworld of Meonia through blood and fear, the empire managed to create several portals leading to other universes. The government is led by Amaranthinus, an immortal sorceress who was once a marshal of the army. She is known for her forced conversions of entire worlds and is famous for managing a harem.

The name "Sybira" comes from the nickname of Polish exiles in Siberia (Sybiracy) during the "Last March" in the 1900s.

They have an illegal Maoist-Marxist revolutionary party called the Revolutionary Guard; also, their legislature has the same name as Poland's legislature in real life.

They seem to have a surprisingly low population density for the size of their nation... though perhaps that's because my expectations are colored by nations half that size having ten to twenty times as many people in 'em.
