Yeah, seems nice. I like history, climate seems good, seems like a generally cool place to live.

Yes, definitely.

Don't know all to much about the nation. I wouldn't be opposed to living there.
But I'd prefer to stay where I am.

I'd probably visit. I don't see it being permanent, though.

The Kingdom of Tetchland

An almost-absolute Catholic monarchy that seceded from Sweden during the Reformation. It's something of a Western Hong Kong (pre-2019), being a small, densely-populated urban region that enjoys wide economic freedoms, modern amenities, and wealth, but holds a strong dedication to tradition with regards to religion, military, and national pride. It's on a small, fictional archipelago halfway between Sweden and Poland.

Probably not. Though I have to be impressed by the simplicity of the factbooks making the nation easy to understand without sacrificing a lot of depth
