MN Represents most of my beliefs minus the leader's rudeness, no multi-thoughts, and herding.

If you are an "True American" or a Patriot, then you shouldn't be flying a Confederate flag, endorsing attacks on civil rights, or supporting Putinist Russia.

BURGER

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
