The Gipsy Kings's cover of Hotel California -The Eagles

Probably one of the best covers of anything I've heard in a long time.

Not bad. Techno's one of my favourite genres.

[Revolution 909 - Daft Punk](#)

Genre: French house techno acid house
Album: Homework (1997)

A pretty mysterious single by Daft Punk. Bangalter said it to be a reflection of the French government and its opposition to rave parties, at least the music video.
