Ah yes, Oki. I find Ainu music (and the people themselves) pretty interesting.

Ah yes, Oki. I find Ainu music (and the people themselves) pretty interesting.

I ran across it because one of my brothers friends who I didn't really expect to listen to that kind of music was listening to it on Spotify.

Sigur Rós - Rembihnútur.

This is probably not really legally on YouTube....but oh well. I'll listen to the album in it's entirety on may 28th (since I couldn't figure out the Valtari Hour thing), and I will see them this summer (Hopefully)

and buy the CD at some point, so it's not like they aren't earning anything from me:P
