Monkey 3756 bought an IKEA flammenwerfer and thought it would work even with a few parts left over. It did - but not in the way he wanted.

Alastair accidentally fell into a pool. The tsunami killed Monkeys 3755-3751.

Monkey 3747 wanted to make Alastair feel better about himself, so he broke into Elsinore Palace in the middle of the night. However, he was mistaken for a terrorist and shot by a sniper on the palace roof.

Monkeys 3744-40 tried to rob a bank at the same time as Al (short for *Alastair*) Capone and his gang. After a quick shootout, which the monkeys won, the police arrived and shot them all.

Monkey 3738 was throttled by Alastair for insinuating that Alastair caused an earthquake. Alastair was found not guilty by reason of temporary insanity.

Monkey 2732 tried to carry a drunken Alastair to bed. Unfortunately, he was so tired after the ordeal that he fell asleep, using Alastair's stomach as a pillow; when Alastair awakened, he was so startled that he yeeted Monkey 2733 out of bed; the monkey hit his head on the floor and died several days later in the hospital.

*RIP Monkey 3333.*

Monkey 3731 was jealous of Monkey 2732 for dying before him, so he went bank in time to change the above two monkeys' numbers. Having succeeded, he then died of old age in the past.

(Please don't skip 1000 monkeys. Monkey 3730 is next.)
