I think of a lotta anti-war protests that would have easily toppled any other state but are constantly sidelined by a three letter intelligence agency.

A far-flung French colonial territory, possibly located in Iraq and currently fighting for its life now that mainland France has fallen into chaos.

"I will peg you to death" - Mega Trollge

Ancient Trailing is a Maori festival in the city of Auckland, New Zealand. The god of trailing, Mega Trillor, has laid dormant in the city for thousands of years, as a sufficient amount of trailing has been achieved throughout history. Recently, though, amounts of trailing have crashed, hitting the event "The Ancient Trill-quinax", which is on the 22nd of September every year.
