Pretty well-known. They are a relatively common sight in General and in F7 for quite a time, so I suppose more than plenty of people have seen and perhaps interacted with her.

I've seen them a bit in f7 recently, so I'll say somewhat known in f7

Pretty well-known. They seem to be in F7 a lot, though if I remember it right they have also went to other part of the forums, so I'd guess many would have seen them even if they are relatively new.

They're probably one of the users I recognize the most, extremely well known in General, they're quite active here and there. So in general, very well known

Probably somewhere between somewhat to quite well-known. From what I've observed they have frequented places like General and F7 a lot, so I guess a lot of people have seen them as well.
