Eliot Lipp-The Shark

The first song I heard by this band seemed the most interesting. Still vaguely interesting, but eh, I dunno.

ANOTHER BAND GOTTEN RID OF

My playlists are running low on electronic now, strangely enough

Archive-You Make Me Feel

This band varies so much (progressive rock, hip-hop, electronica), and has changed singers and alignment so much I'm not sure if I'll really like everything.

Archive-The Empty Bottle

This bands weird, because they're like musically experimental and interesting, but even with that, I never find them hugely interesting as a band. Not bad, though.

Amon Tobin-Kitchen Sink

What I like about Amon Tobin is he's more about weird, bizarre, unusual atmosphere than "OMG DROP", or whatever.
