Isolated Island nation populated by cannibal cultists who worship heavy metal, violence and has access to nuclear energy and weapons also maintains an active space program. NS Stats are canon.

Warning: This nation came with the Idea of creating the worst nation I could think of, if you agree with anything I said in character, then What's wrong with you?

This is the same angry Peruvian who passionately hates Chile, a **National Motto** certain **Stella Nera**. NS Stats were tried for treason against humanity and executed.

Officially known as the "**Unified Resistance of Tesseris**"

Against the **Divine Oppressor Deus** and his following we stand, the beacon of resistance to *Divine Tyranny and Totalitarianism*

The Current Year 1410 AC (Equivalent to around 1874 AD). Population, 80 million. **Human Supremacist Unitarian Misotheistic Militaristic Meritocracy.**

Those who commit treason against humanity must be re-educated where they can and punished where they must. Humanity shines brighter than anything else, for it and only **Humanity** was created in the **Image of God**.
