Looks like Hell or they exist on a spaceship that is currently passing the sun.

Oh! And they maybe an evil empire.

Kabzeel, meaning "God's Gathering" in hebrew, is a *federal, dominant-party, socialist(non-marxist)constitutional monarchy* with a rich Jewish heritage dating back to it's creation in 845 CE. Today, it spans almost the entirety of Eastern Europe and is the largest predominately Jewish and female-led state in the world as it follows the doctrine of "*Royal Socialism*", a paternalistic conservative ideology with an emphasis on socialization, social ownership, and conservative feminism. Its relationship with Israel is noticeably rocky, but this is due to the ongoing complications between Kabzeelian and Israeli Zionism.
