The country's data suggests it's too overpopulated, and it's a socialist country as well. So, I would say no.

The overall great economic status of this country, plus it's high civil liberties and freedoms, are all good reasons why the AN is a great place to live in, so yeah!

No.

As far as I remember, ~~a group of friendly nations, along with Feyrisshire~~ the democratic will of the people helped to elect an Islamist leader in a nation full of furies.

That's... not really a nation I would want to live in....

Possibly. While they're a stable democracy with an excellent framework of civil rights and a good economy, they seem to be on the brink of war, which wouldn't really make it the best place to live. If the threat of war is removed or at least reduced, however, I could certainly see myself living there.
