Neumann leaks information to [Hacune Miku](#) that Jeff is a pro-terrorism figure.

Surprise: Previous Man is not really dead, just in a comatose state. Meiko, now residing almost exclusively in cyberspace, decides to break Man out of the funeral process, and turn him into a Novus. However, she is temporarily stopped by Jeff.

[Show Spoiler](#)

Her first chord immediately kills Jeff, and Previous Man is saved. Man's coffin falls apart upon Jeff's death, and he is shipped to the Triton [Hacune Miku](#) base... only to find upon conversion that Hacune Miku is alive in that base as well! Things are certainly looking up for the anti-NS user resistance.

Neumann and [Hacune Miku](#) plot designs for the rebuilding of Earth after the devastation caused by the NS users; however, they left a powerful demon in their wake who continues to wreak havoc on Afghanistan and cause misery for the remaining humans on Earth.

Boss: Al-Qaidaliban: HP 1107374/1107374

Meiko opens the fight with a volley of chords from a song called "D". (This actually exists: <https://www.youtube.com/watch?>

v=yrofxRujLvY, memified version: <https://www.youtube.com/watch?v=HSFu2QuAAUs>). Al-Qaidaliban is easily taken down, and Afghanistan is saved for now.

Turns out the part he landed in was actually Starsovo, who was trying to break away from Portuserbia, so Man joins the Starsovian army to help them. Turns out Miku, Meiko, and Man 1 were all also helping Starsovia break away so the team up.

NAME CHANGE: Man is now War Man
