If that's a euphemism, public indecency with a minimum of 24 hours and maximum of 3 months in low-level penitentiary, a fine of \$500 to \$25,000, and up to 360 days of community service. If that's not a euphemism, not a crime.

For the site to deal with in most cases

Killing your neighbour, frying them with an egg, and eating them,
(But they were really annoying and interfering and you consider them inferior as they have no feelings beyond a desire for quiet and comfort)

Lifelong interment in a psychiatric institution, or death penalty - depends on details. Nothing good can come from letting people who murder members of their community over minor personal shortcomings roam freely, and they're probably unfixable.

Hiding a criminal from arrest at your home.

For Speeding in a school zone, you would be charged 330 to 500 Kronor, and have your license suspended.

this level of speeding, an unlimited fine and banned from driving for life.
Also reckless child endangerment, life sentence with a 27.5 to 32 year tariff (jail time that must be served before parole)
AN: shot by police as they'd make some technical claim the person was resisting arrest. Less paperwork and they'd get a model.

[quote="New England and Greater New Brunswick";p="40682247"]Public indecency (such as nudity, but also masturbation and public drunkenness) has a punishment of a night in jail to 3 months in jail, depending mainly on cooperation with officers. It also carries a minimum 500-pound fine and at most 2000 pounds.

Example: Saying the words 'I am going to kill My leader.

Up to 5-10 years in prison for starting a nonpeaceful protest. Extra charges/time for other crimes committed during the failed coup.

Pranking someone by scaring them, but accidentally giving them a stroke in the process, knocking them out cold.

Restitution equal to 3x the sale price of the house and your neighbor now owns yours.

Burning down a church then making a false report to the police to defraud insurance.

Five years for arson, plus another five for fraud, plus restitution.

Inciting a hate crime.
