Rooted in Democracy and listening to others peoples opinions!

Equilibrium is key, yet conformism is evil; choose what you do while staying true to the *nations motto*.

Socialism and The Peoples Opinion are my key philosophies.

Fact book in progress. Eventually it will progress.

It's a really interesting image that I didn't know what to make of it at first but now I think I know what it is.

I interpret it as they are industrialized and technologically advanced yet are in harmony with nature.

Uhh...

They're highly radioactive, but still manage to maintain clear blue rivers and lush green hills.

What else am I supposed to comment on?

Edit: They appear to have two banners.

Second one:

Their urban areas are dense and lively, with towering buildings of all kinds as far as the eye can see.
