Very very well known to quite amount of NS, like most of us, mostly on F7 but with the post number present clearly has had a substantial prescence at least on other places too. Keep in mind, I've been sort of lazy recently with keeping up with NS so I might even be wrong and they're well known for something else.

Regardless, just a well-known person. They're a regular in the NS bar of life.

It all depends on when you've been active. Some users, like myself, are very familiar with NSAR - but then NSAR took some hiatuses, so some may not be as familiar.

In my view though - very well known (and for good reason)!

Unfortunately I have not met this nation until now, so I can't say. But they have a huge amount of posts so I'd say pretty popular.

Karthor is always at war for some reason. I wonder why

Growing to be very well known in F7.

Not well-known, if at all.

Nordheimrr is my lore account. That is my only alt.

You might ask what the hell I'm doing at this moment... well, I'm either at a cross-country meet running from the opps (not literally), or a basketball game. Or blasting Von and probably Gucci Mane.

Very popular, in F7. Though I've been seeing that they're slowly not posting in F7, which is fine and expected since not every Nser have some free time.

This is the first time I've seen 'em, but I see they've got a modest post-count, so I'mma go with a bit well known? It's hard to quantify.

Now the moderation team really IS Godmoding.

First time seeing them, but they are a very old nation (almost as old as the site itself) and they have a stupid amount of posts. So probably they are very well known
