The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.  
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

[Factbook](#)

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to*

change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.  
-Muhammad Ali
