monkey 888 was gifted the ability to manipulate the timeline of ten thousand monkey genocide and decided to erase the part where monkey 10000 jumped off a diff blindfolded, causing the entire ten thousand monkey genocide thread to never happen, thus causing monkey 888 to cease to exist.

Well...

In the final part of the Second Doctor serial, Enemy of the World, the main villain in that story dies when he leaves the doors open and gets sucked into space.
