What is this I don't even. I could've lived on happily without having to hear that D:

Creedence Clearwater Revival - Down on the Corner

Some *real* music.

This video gives me hope that humans still retain their sense of humour. This is not song, its a comedy show, a brilliant comedy show! Hurrah!

Elton John - Don't Let the Sun Go Down on Me  
From *Caribou* (1974)

*I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me*

Founded: May 28, 2014  
Democratic Socialists

Frozen here on the ladder of my life

*Too late to save myself from falling  
I took a chance and changed your way of life  
But you misread my meaning when I met you  
Closed the door and left me blinded by the light*

*Don't let the sun go down on me  
Although I searched myself, it's always someone else I see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me*

Bob Dylan - Shelter from the Storm  
From *Blood on the Tracks* (1975)

*'Twas in another lifetime, one of toil and blood  
When blackness was a virtue the road was full of mud  
I came in from the wilderness, a creature void of form  
Come in, she said  
I'll give ya shelter from the storm*

*And if I pass this way again, you can rest assured  
I'll always do my best for her, on that I give my word  
In a world of steel-eyed death, and men who are fighting to be warm  
Come in, she said  
I'll give ya shelter from the storm*

5 Seconds of Summer - Jet Black Heart  
From the upcoming *Sounds Good Feels Good* (2015)

*Everybody's got their demons  
Even wide awake or dreaming  
I'm the one who ends up leaving  
Make it okay*

See a war I wanna fight it  
See a match I wanna strike it  
Every fire I've ignited  
Fade into grey  
But now that I'm broken  
Now that you know it  
Caught up in a moment  
Can you see inside?

Cause I've got a jet black heart  
And there's a hurricane underneath it  
Trying to keep us apart  
I write with a poison pen  
But these chemicals moving between us  
Are the reason to start again

Joni Mitchell - Both Sides, Now  
From *Clouds* (1969)

Bows and flows of angel hair  
And ice cream castles in the air  
And feather canyons everywhere  
I've looked at clouds that way  
But now they only block the sun  
They rain and snow on everyone  
So many things I would have done  
But clouds got in my way

I've looked at clouds from both sides now  
From up and down and still somehow  
It's cloud's illusions I recall  
I really don't know clouds at all

Radiohead - Go to Sleep  
From *Hail to the Thief* (2003)

*Something for the rag and bone man  
Over my dead body  
Something big is gonna happen  
Over my dead body*

*Someone's son or someone's daughter  
Over my dead body  
This is how I end up sucked in  
Over my dead body*

*I'm gonna go to sleep  
Let this wash all over me*

*We don't really want a monster taking over  
Tiptoe round, tie him down  
We don't want the loonies taking over  
Tiptoe round, tie them down*

*May pretty horses  
Come to you  
As you sleep  
I'm gonna go to sleep  
Let this wash all over me*

Electric Light Orchestra - Last Train to London  
From *Discovery* (1979)

*It was 9:29  
9:29, back street, big city  
The sun was going down  
There was music all around  
It felt so right*

*It was one of those nights  
One of those nights  
When you feel the world stop turning  
You were standing there  
There was music in the air  
I should have been away  
But I knew I had to stay*

*Last train to London, just heading out  
Last train to London, just leaving town  
But I really want tonight to last forever  
I really want to be with you  
Let the music play on down the line tonight*

#### Green Day - Boulevard of Broken Dreams From *American Idiot* (2004)

*I'm walking down the line  
That divides me somewhere in my mind  
On the border line of the edge  
And where I walk alone*

*Read between the lines  
What's fucked up and everything's all right  
Check my vital signs to know I'm still alive  
And I walk alone*

*I walk alone  
I walk alone*

*I walk alone  
I walk a...*

*My shadow's only one that walks beside me  
My shallow heart's the only thing that's beating  
Sometimes I wish someone out there will find me  
Till then I walk alone*

Bob Dylan - Duquesne Whistle  
From *Tempest* (2012)

*Listen to that Duquesne whistle blowing  
Blowing like it's gonna sweep my world away  
I'm gonna stop at Carmangale and keep on going  
That Duquesne train gon' rock me night and day*

*You say I'm a gambler, you say I'm a pimp  
But I ain't neither one*

*Listen to that Duquesne whistle blowing  
Sound like it's on a final run*

*Listen to that Duquesne whistle blowing  
Blowing like she never blowed before  
Little light blinking, red light glowing  
Blowing like she's at my chamber door*

Phil Collins - I Wish It Would Rain Down  
From *...But Seriously* (1989)

*You know I never meant to see you again  
But I only passed by as a friend, yeah  
All this time I stayed out of sight  
I started wondering why*

*Now I, I wish it would rain down, down on me  
Ooh yes I wish it would rain, rain down on me now  
Ooh yes I wish it would rain, down on me  
Ooh yes I wish it would rain on me*

*You said you didn't need me in your life  
Oh I guess you were right, yeah  
Ooh I never meant to cause you no pain  
But it looks like I did it again*

*Now I, now I know I wish it would rain down, down on me  
Ooh yes I wish it would rain, rain down on me now  
Ooh girl I wish it would rain, down on me  
Ooh yes I wish it would rain on me*

Elton John - The Last Song  
From *The One* (1992)

*Things we never said come together  
The hidden truth no longer haunting me  
Tonight we touched on things that were never spoken  
That kind of understanding sets me free*

*'Cause I never thought I'd lose, I only thought I'd win  
I never dreamed I'd feel this fire beneath my skin  
I can't believe you love me, I never thought you'd come  
I guess I misjudged love between a father and his son*
