Sounds better then any of the stuff I heard from the last album, but that wasn't a whole lot, so. Still not that great.

As far as lead singles go it's much much worse than Not Afraid, which wasn't that great anyway.

It's a mess, none of the parts fit.

It sounded like three songs randomly switching around.

Meanwhile the new Death Grips single is rather creative and unique for a rap song, like pretty much all their stuff.

Awful. I mean, I think Eminem is overrated anyways, but that song was *bad*. It's like he didn't put any effort into making it.

You might like some of the other Death Grips. Some of it even has a metal influence to it, which is unusual for hip-hop stuff.

I could throw something your way later.
