Monkey 342 had no idea what Sokivia was, so he checked every map, website, atlas, etc. After years of despair and a lack of knowledge, he ended his life from pure sadness and disappointment.

Monkey 341 was banned for joking that the destruction of the British Isles resulted in the death of a lot of monkeys.

Monkey 339 got lost in a forest and encountered an evil witch. Said evil witch then turned monkey 339 into a Klondike bar and sent him back in time.

MONkey 329 died, was then reanimated in a arcade cabinet, lived much longer, and then beaten with a crowbar and knocked over. They found his blood all over their sneakers.
