Billy Joel - Famous Last Words
From *River of Dreams* (1993)

*Sitting here in Avalon, looking at the pouring rain
Summertime has come and gone and everybody's home again
Closing down for the season, I found the last of the souvenirs
I can still taste the wedding cake and it's sweet after all these years*

*These are the last words I have to say
That's why this took so long to write
There will be other words some other day
But that's the story of my life*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Lionel Richie - Truly
From *Lionel Richie* (1982)

*Girl, tell me only this
That I have your heart for always
And you want me by your side
Whispering the words I'll always love you*

*And forever I will be your lover
And I know if you really care
I will always be there*

*Now I need to tell you this
There's no other love like your love
And I, as long as I live
I'll give you all the joy
My heart and soul can give*

Let me hold you

*I need to have you near me
And I feel with you in my arms
This love will last forever*

And truly, you know you're alright with me*

From *Come on Over* (1997)

I only want to have a good time*

*The best thing about being a woman
Is the prerogative to have a little fun and*

*Oh, oh, oh, go totally crazy, forget I'm a lady
Men's shirts, short skirts
Oh, oh, oh, really go wild yeah, doin' it in style

With a hundred miles to go
Sole survivor, carryin' a load

Westlife - My Love
From *Coast to Coast* (2000)

*An empty street
An empty house
A hole inside my heart
I'm all alone
The rooms are getting smaller
I wonder how
I wonder why
I wonder where they are
The days we had
The songs we sang together
Oh yeah
And all my love
We're holding on forever
Reaching for the love that seems so far*

*So I say a little prayer
Hope my dreams will take me there
Where the skies are blue
To see you once again my love
Over seas from coast to coast
Find the place I love the most
Where the fields are green
To see you once again, my love*

Said my get up and go must've got up and went
Well I got good news, she's a real good liar
'Cause the backstage boogie set your pants on fire*

Yeah yeah yeah yeah yeah yeah yeah yeah yeah yeah yeah

Brother Firetribe - Close to the Bone

*I'm a man of the world, got places to go,
I wanna see what it's all about*

*I can feel the beat it's so close to the bone
Have another shot under midnight sky
I can feel the heat it's so close to the bone, so close to
the bone, so close to the bone*

U2 - The Fly

From *Vertigo 2005: Live from Chicago* (2005)

*It's no secret that a conscience can sometimes be a pest
It's no secret ambition bites the nails of success
Every artist is a cannibal, every poet is a thief
All kill their inspiration and sing about the grief*

*A man will rise (Love, we shine like a)
A man will fall (Burning star)
From the sheer face of love (We're falling from)
Like a fly from a wall (The sky... tonight)
It's no secret at all*

Ringo Starr - Weight of the World

From *Time Takes Time* (1992)

*Maybe your daddy never held you like he should
Maybe your mama just held on the best she could
Every soul has a secret, give it away or keep it
But yesterday's gone, so tell me why*

*You carry the weight, the weight of the world
It's breakin' you down, on your back like a boulder
Before it's too late, get rid of it girl, get it off of your shoulder
I know you've been used but you gotta lose the weight of the world*

*Maybe, I haven't always been there just for you
Maybe, I try but then I've got my own life too*

*Every heart has a hunger, I'm not gettin' any younger
And I've got all the crosses I can bear*

*Don't gimme the weight, the weight of the world
It's breakin' me down, on my back like a boulder
Before it's too late, get rid of it girl, get it off of my shoulder
You know I've been used and I gotta lose the weight of the world*

The Rolling Stones - Shattered
From *Some Girls* (1978)

*All this chitter-chatter
Chitter-chatter, chitter-chatter 'bout shmata, shmata, shmata
I can't give it away on 7th Avenue
This town's been wearin' tatters, uh-huh*

*You've been shattered
Work and work for love and sex ain't you hungry for success?
Success, success, success, does it matter?
I'm all shattered, does it matter?*

*Ah, look at me, I'm all shattered
I'm all shattered
Look at me, I'm all shattered, yeah
Shattered*
