Seen them around for awhile now, but me basing this on my seeing them, (so, being me) i feel like that disqualifies my statement.

Not really except now and a few minutes ago

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, totalitarianism, and the dark side of the Force. United under a single

Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by 30 trillion loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. The Sith Empire will stop at nothing to become the greatest power in the galaxy. Although an uneasy truce has settled over the galaxy, the Empire does not sit idle. From its capital of Dromund Kaas, Imperial high command exerts total control over the worlds it has conquered, rebuilding its forces to once again to march on the enemies of their Sith overlords.

Have never seen them. And no wonder, considering their measly 43 posts (they probably have a life), 40% of which aren't even on F7.

Somewhat known. Well known to those who have been active on F7 recently.

Currently retired. This nation (my first on this website) will be put to rest after 4 years on April 22.

A pacifist union located on the utopian planet Delotheaa. Nothing notable other than its longevity (as the nation has existed for over 10,000 years) and its unusual ability to repel invasions.
