Neofolk. Excellent inspiration for adding on to my current Hachlar folklore.

Also has some...insane lyrics.

New Order - Blue Monday

IC Name: **Ketorushima**

Arctic island inhabited by kitsune and other yōkai.

Set about a decade after the world becomes aware of the supernatural. Details on that will come later.

I'm back after being away from the forums for quite a while. Maybe I'll update my factbooks. There must be a lot of dust by now...
