For whatever reason your flag reminds me of an implosion type hydrogen bomb.

EDIT: Ninja'd. Not really a flag but seems to be some kind of fictional character eating a cake? I'm guessing power rangers.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you have WAY too much time on your hands.
